THE EXECUTIVE WOMEN'S GOLF ASSOCIATION'S . . .

Vision Statement: "We are the premier force for promoting women's golf"

Mission Statement: "The EWGA exists to provide opportunities for women to learn, play, and enjoy the game of golf for business and for life"

EWGA a non-profit organization formed in 1991 has grown into a network of 18,500 members with over 118 chapters across the U.S. and Canada.

Membership in the Augusta GA Chapter is expected to increase to over 100 in 2006. EWGA members are among the CSRA's most dynamic and influential women. More important, they are making decisions to purchase goods and services for their companies and for themselves.

Each year, the chapter has enjoyed the financial support of a growing number of local businesses such as yours, which helps us defray administrative expenses and enables us to make increasing contributions of time and money in support of other aspiring career women.
